Precautions

- Store in a cool dry place.
- For best before date see the back panel of packaging.
- Always ensure your cat has clean, fresh water available at all times.
- Super Vite Adore Complete should gradually be introduced into your cat's diet over a period of 7 – 10 days.
- Individual needs may vary depending on the age, breed, activity level or environmental factors.
- Regular vet checkups are vital to ensure your cat remains a healthy part of your team.
